

The month of June is quite significant in the life of SHEC because on it falls the feast of St. Hannibal. But more than the merry-makings of the event, SHEC remembers in a special way the reasons and convictions it shares with Jesus and St. Hannibal. Love of God and love of humanity, creation included ♦ this remains as a guidepost guiding SHEC along its journey towards the Kingdom of God. Jesus ignited the first inspiration. St. Hannibal made a big step. SHEC continues the journey, and in the spirit of the new evangelization, it strives hard to make the Rogate spirituality (a Kingdom inspired way of life) ever fresh and refreshing in dynamic contexts.
