

Know-how in cooking is a very good source of livelihood. Also, food for all, especially for the hungry is a Kingdom blessing. It is timely that food has become a focus in SHEC last March 20 and 27 as 59 members of the RYMSC participated in the training on cooking pasta. The activity was held at the St. Hannibal Training Center, 584-A E. Cornejo St., Brgy. 163, Malibay, Pasay City
