

*“The Lord hears the cry of the poor.”* Cries of supplications overflowed in the humble community of St. Hannibal Maria Di Francia Empowerment Center, Inc. as they celebrate the Solemn Feast of the Most Holy Name of Jesus or, for the Rogationists, also known as the Great Supplica. Fr. Dexter Prudenciano, RCJ, Superior of the house, presided over the solemn exposition of the Blessed Sacrament at 6:00 in the evening. Participants coming from the St. Hannibal Christian Community (SHaCC) in Pasay and from Port Area Baseco Neighborhood Association League (PABaNAL) in Tondo came to join in this Solemn Feast to express their infinite gratitude, with literal cries in their eyes, to the Eternal Father for all the blessings they received from Him. After the adoration, a simple agape was prepared for all.
