

One year is a big step in the progress of SHaCC Phase 17, something which the community's leaders and members, as well as applicants from Barangay 182, Pasay, with the leadership of Fr. Orville Cajigal, RCJ have celebrated last November 10, 2013. The celebration was also meant to strengthen the bond among the community members, and to inform the landowner about the development of the Land Acquisition and Housing project of SHaCC Phase 17. Moreover, said step is surely a sign that the Kingdom's mustard seed of justice, reflective of Christ's Kingship, is continuously growing.
