As we celebrate our 10 years in SHEC, we remember how God works in wonderful ways. Truly, He shows how he loves the poor. We are thankful for making us his instruments in touching the lives of the poor. They, the poor, in turn teach us how to get closer to Jesus. Thank you for your collaboration. God remembers all our efforts. The SHEC family and the whole of the Rogationists are thankful to you and to God. The following give us a glimpse of the miraculous work of God for the poor.</p> <p style="text-align: justify;"><strong style="line-height: 1.3em;">CATHOLIC CONCERNS
